Ayurvedic massages

Ayurveda is the Indian science of “Life and Longevity”. It treats the human being as a whole and teaches to live in harmony with the laws of nature, but mostly it helps to live healthy. It encourages the well-being of body, mind, emotions and spirit.

Abyanga the Olimje way *60 min / 59,00 €*

In translation it means “anointing”. The Ayurvedic oil massage is carried out completely different from other classic massage techniques. By means of touch and warm oils, a calming, relaxing and healing effect is achieved. The massage is extremely recommendable for eliminating tension and stress. It accelerates body detoxification, renews skin and strengthens its tone. The massage reestablishes energy flow, which provides a feeling of freedom and complete relaxation.

Indian head massage *30 min / 30,00 €*

The head massage is a simple and effective therapy that has been known in India for over a thousand years. The head, neck and shoulders are the energy centers where tension occurs most quickly. A gentle rhythmic massage helps to release this tension. Stimulation of the circulation in the scalp relaxes the eye muscles, relieves headaches and improves concentration.
